Regional News for February 2007:

**Wishing You All a Very Happy &
Successful Chinese New Year 2007**

12th February, 2007: 72 Members and guests attended the CPD topic "Adjudication – Practical issues relating China projects under FIDIC Form of Contract" presented by Ir. Leonard Wong, MA, FCIQB, MHKIE, MInstCES, FCIArb., *Commercial Director of Costain Engineering & Construction*. He compared the differences between adjudication and arbitration, general practice in dispute resolution in China and shared with us his experience as an adjudicator in an adjudication case in China.
