## Regional News for June 2009

**20 June 2009:** 26 members from ICES and the Lighthouse Club attended “*Site Visit: Development at Anderson Road*”. Arup Resident Engineers gave us excellent presentations on the project and highlighted the difficulties the project team comes across. The presentations were followed by a visit to the rock crushing plant on site and the barging point at former Kai Tak Airport Runway. We were introduced the techniques for disposal of excavated materials by conveyor belts onto barges.

Blasting experts from Arup and China State were presenting the challenging tasks they came across

Members from ICES and Lighthouse Club at “Development at Anderson Road” site

## Royal Charter Update

On Wednesday 18 March 2009, Her Majesty approved an order approving the draft ICES Charter and order the Lord Chancellor to pass it under the great seal. The Institution is planning to re-launch itself as **CHARTERED INSTITUTION OF CIVIL ENGINEERING SURVEYORS**.

The Council of Management has decided to host a large charter celebration in London. A lunch reception is being organized to take place on Wednesday 2 September 2009 at 45 Millbank, London. An invitation list is being prepared. Our Regional Chairman, Eric Poon together with our Council Members, Eric Lo and Andrew Keung will be invited to join this festivity.
