### The 6th Across-the-Strait Geomatics Conference

Calvin Li

---

**14 to 16 Oct 2010:** This conference is organized in every 3 years, by a working group of Geospatial Engineering specialists, government sectors, Land Surveying institutions and academia and professionals from mainland China, Taiwan, Hong Kong and Macau.

The Macao Cartography and Cadastre Bureau, Macau Government was taking the lead to organize the Conference this year. The steering committee included a number of organizations from the Mainland, Taiwan, Hong Kong and Macau. As for Hong Kong representatives, they are Lands Department of the Hong Kong Government, The Hong Kong Institute of Surveyors, The Hong Kong Institution of Engineering Surveyors and The Hong Kong Polytechnic University. The conference attracted more than 200 attendees and there were about 50 technical presentations by GE professionals from the mainland China, Taiwan, Hong Kong and Macau. ICES, represented by Senior Vice Chairman Honby Chan, Michael Wong, Calvin Li, LIU Chun Kit and Ray Ng attended this conference in Macau.

The China professionals are now seeking for the opportunities and networking in overseas bodies, the participation of ICES in such kind of conference can promote the brand of Chartered ICES to other GE and construction organizations in mainland China, Taiwan and Macau. We are planning to organize more joint events with other institutions to reinforce our relationship with these organisations.
