Abstract.

Mr Leonard Wong is a practising adjudicator, mediator, DRAd and contract administrator. He has spent 20 years with an international contract consulting firm, High Point Rendal before working for major contractors like Costain and Gammon. He has solid experience in dispute resolution in major infra-structure projects in both HK and Mainland China.

Mr Wong will discuss practical issues relating to dispute resolution in China projects with parties from different countries. Adjudication becomes more commonly used in Mainland China. The talk will concentrate on practical issues with a case study.

Please fax the reply form to attention of Mr. Patrick Wong at 25233823 for registration. The number of participants is limited to 80 and applications will be accepted on a first come first served basis.
