Abstract

Mediation has become an increasingly popular way of resolving disputes. The main reason for the increase in popularity of mediation is that parties and their advisers have become more aware of the advantages that mediation has over litigation and arbitration. The second reason is that Court is prepared to impose costs penalties on parties who unreasonably refuse to mediation. The Hong Kong Mediation Council is pleased to present a short demonstration on mediation. This will introduce the practice of mediation to the audience whose exposure to “live” mediation is limited.

Priority will be given to ICES members, thereafter place will be allocated on the “first come, first served” basis. Please register on-line via www.ices.org.hk/home.php or fax the reply form to the attention of Mr. Patrick Wong at 25233823. The number of participants is limited to 170. For enquiries, please contact Mr. Patrick Wong (Tel: 22309636) / Mr. Simon Leung (Tel: 91918441).

Disclaimer: The Institution of Civil Engineering Surveyors has not arranged any insurance coverage for any participants on any personal accident, property loss/damage or virus infection arising from this CPD function. Participants should make their own insurance arrangement at their expenses.
