

Organizer(s): The Department of Land Surveying and Geo-Informatics (LSGI), Poly U  
The Institution of Civil Engineering Surveyors (H. K. Region)  
The Hong Kong Institution of Engineering Surveyors (HKIES)

Topic(s): **Manage, Find & Share**  
**Connecting People and Information across the Construction Teams**

Speaker(s): **Mr. Jimmy Lau (Senior Application Engineer, Bentley Systems HK Ltd)**

Date: 09-April-2008

Time: 7:00 p.m. to 9:00 p.m.

Venue: (Lecture Room ST 111), The Hong Kong Polytechnic University

Medium: Cantonese

Admission: Free.

---

**About the Speaker:**

Mr. Jimmy Lau has his Master of Philosophy and Bachelor (Hons) degree of Surveying and Geo-Informatics in the Hong Kong Polytechnic University. He has been working in Bentley Systems Hong Kong Limited as Senior Application Engineer. He is also a certified MicroStation, MicroStation GeoGraphics and Bentley InRoads Instructors.

He has been involved in Consultancy and Implementation of MicroStation V8 Upgrade for Kowloon-Canton Railway Corporation Shatin-Central Link. He also participated in Project Implementation of Highways DMS implementation and upgrade projects; MTR Corporation DMS implementation; and P&D Model Phase 1 and 2 for CLP Power Limited.

**Abstract:**

This CPD function is try to share experience of how the Bentley ProjeWise connecting people and information across Construction teams. How many methods you adopted to **Manage** various types of information? How many times you spent to **Find** the most updated and correct drawings and information? How many reference files in drawings you missed to **Share** for the others?

ProjectWise Integration Server is an enterprise-level engineering content management solution. Key capabilities include: 1) Caching servers for fast file access and reduced rework; 2) CAD Standards management for improved data quality; 3) Reference file management for easy collaboration; 4) Integrated project framework for managing a portfolio of projects; 5) Desktop application integration for MicroStation, AutoCAD, and Office; 6) Online fully managed solutions for "hands-free" administration.

**Registration:** By Fax --- Complete the Reply Form and fax to **3013-8064**. Or  
By Email --- Send the required information to [function@hkies.org.hk](mailto:function@hkies.org.hk).

All members and guests are welcome. The number of participants is limited to 200 and applications will be accepted on a first come first served basis. For enquiries, please contact Mr. LIU Chun-Kit (Tel: 9589-8288) or Email: [function@hkies.org.hk](mailto:function@hkies.org.hk)

**Disclaimer:** HKIES, ICES(HK) and LSGI will not be liable or will not provide any type of insurance coverage to the participants for any personal accident, property loss/damage or virus infection arising from the function. Participants should make their own insurance arrangement at their expenses.

**Reply Form for Apr-2008 CPD**

(Fax to **3013-8064**, or send an email with the required information to [function@hkies.org.hk](mailto:function@hkies.org.hk))

I, \_\_\_\_\_ (HKIES, ICES(HK)/ LSGI No.: \_\_\_\_\_), confirm my intention to attend the talk on 09-April-2008 and I shall be accompanied by \_\_\_\_\_ guests.  
My telephone number is \_\_\_\_\_ and e-mail address is \_\_\_\_\_.
