**International Construction Conference and  
Construction Services Exhibition**

ALIIS CUM HUMANITATE

## **New Solutions to Old Construction Problems**

**Hong Kong Convention and Exhibition Centre  
25th and 26th May 2009**

### **This International Construction Conference and Construction Services Exhibition will provide:**

- unique networking and marketing opportunities for developers, contractors, subcontractors, suppliers, consultants, lawyers, trade associations, professional institutions and individuals within and associated with the construction industry; and
- continuing professional development opportunities for individuals who need to further develop their capabilities in order to be better prepared to deal with the global economic recession through increased efficiency, innovation and motivation.

### **Exhibition and Networking**

Delegates and other participants will have opportunities of personal and professional networking at the various receptions and at the Construction Services Exhibition where contractors, suppliers, specialists, consultants, law firms and other construction service suppliers, who are sponsoring the conference, and professional institutions and trade associations, who are supporting the conference, will display details of their services and be available to discuss their capabilities, potential future business opportunities and employment prospects and their plans for continuing professional development.

### **Supporting organizations include:**

- ◆ Academy of Experts
- ◆ Association for Project Management  
- Hong Kong Branch
- ◆ British Chamber of Commerce in Hong Kong
- ◆ Chartered Institute of Arbitrators  
(East Asia Branch).
- ◆ Construction Industry Council
