HKIPM had organized a visit to these construction sites on 26<sup>th</sup> April 2008 before which received great support from members. This is a follow-up visit to these major construction sites in Guangzhou close to their completion stage.

All participants must plan and arrange their own transport to Guangzhou East Railway Station in China for assembly as mentioned above. Those travelling from Hong Kong may travel on the MTR Intercity Through Train departing from Hung Hom Station at 08:18am or by any other means of transport as preferred.

### Background of sites:

1. Zhujiang Xincheng West Tower (广州珠江新城西塔) is a mixed commercial development of 广州越秀城建国际金融中心有限公司 consisting of office, hotel and retail. The total construction floor area is about 450,000 m<sup>2</sup>. The main tower is of 103 storey and 432 m high. Fitting-out work is in progress at the moment.
2. Guangzhou New TV Tower (广州新电视塔) is developed by 广州新电视塔建设有限公司. The site area is 176,000 m<sup>2</sup> and the total construction floor area is 99,946 m<sup>2</sup>. The total height of the building is 610 m (454 m for Main Tower plus 156 m transmission rod) which will be the tallest tower of its kind in the world when completed. Target opening of the TV Tower is before the Asian Games in Guangzhou in November 2010.
