Abstract

There are many different ways to procure the delivery of a Project, how to select an appropriate procurement approach for your project to achieve success? Mr. Steve Tennant will compare a number of different procurement methods and their application; consider methods of tendering; look at the “cheapest is best (?)” philosophy; talk about risk, reward and responsibility, discuss partnering and finally ask the question, what is Project Success? All will be done from a practical rather than academic perspective.

Priority will be given to ICES members, thereafter place will be allocated on the “first come, first served” basis. Please register on-line via www.cices.org.hk/home.php or fax the reply form to the attention of Mr. Patrick Wong at 2523 3823. The number of participants is limited to 72.
