

SITE VISIT

The Central - Wan Chai Bypass and Island Eastern Corridor Link (CWB) North Point Reclamation

Organizer: The Chartered Institution of Civil Engineering Surveyors (HK Region)
Date: 7 May 2011 (Saturday)
Time: 9:55 am to 12:00 noon
Assembly Point: North Point Oil Street CWB Community Liaison Centre, 9:55 am
Team Leader: **Mr. Benny FUNG**
Fee: Free of charge
Capacity: 30
Remark: Participants are required to wear safety shoes to the site.

Abstract:

The Central – Wan Chai Bypass and Island Eastern Corridor Link (CWB) is a strategic road along the north shore of Hong Kong Island targeted to alleviate the traffic congestion along the existing Gloucester Road - Harcourt Road - Connaught Road Central corridor. The need was also reaffirmed in the statutory procedures and supported in the public engagement process.

Opportunity is bought to the ICES to bring a Visit to its North Point Reclamation area. See itinerary attached for details.

Disclaimer: The Chartered Institution of Civil Engineering Surveyors (ICES) has not arranged any insurance coverage for any participants on any personal accident, property loss/damage or virus inflection arising from this social function. Participants should make their own insurance arrangement at their expenses.
