Visit to the Zero Carbon Building (ZCB)

The Chartered Institute of Arbitrators (CI Arb) (East Asia Branch) Young Members Group and the Chartered Institution of Civil Engineering Surveyors (ICES) are jointly organising a visit to ZCB on Saturday, 23 March 2013.

Construction Industry Council (CIC), in collaboration with the Hong Kong Government, has developed the first Zero Carbon Building in Hong Kong - ZCB. ZCB is a signature project to showcase the state-of-the-art eco-building design and technologies to the construction industry internationally and locally as well as to raise community awareness of sustainable living in Hong Kong. Designed to achieve carbon neutrality, ZCB utilises solar panels and biodiesel made of waste cooking oil to generate renewable energy onsite. It has a total area of 14,700 square meters. Its key components include indoor and outdoor exhibition spaces, a multi-purpose hall, an eco-office, an eco-home, as well as outdoor landscape areas with Hong Kong's first urban native woodland. In this visit, participants will be introduced the key features of ZCB and the green technologies deployed.

Date: 23 March 2013
Meeting Time & Point: 9:45am at Entrance of ZCB, Sheung Yuet Road, Kowloon Bay, Kowloon
Time: 10:00am to 11:30am
Fee: Free of charge (for ICES Members)
HK\$ 20 per person (for Non-Members)

Please register on-line via <http://www.cices.org.hk> or fax your reply form to 2687 2252. For enquiries, please contact Ms. Cordia Yu (Tel: 2687 2267). The numbers of participants are limited and it's on a first-come-first-served basis. In addition, members will have the priority to attend the site visit.

Disclaimer: The Chartered Institution of Civil Engineering Surveyors has not arranged any insurance coverage for any participants on any personal accident, property loss/damage or virus infection arising from this function. Participants should make their own insurance arrangement at their expenses.
