

## ***SITE VISIT***

### **Shatin Central Link**

### **Diamond Hill to Kai Tak Tunnels**

The SCL is one of the strategic railway lines recommended in the Railway Development Strategy 2000. ICES members will visit one of the contracts of the Shatin Central Link to understand the construction management challenges of the contract.

**Date:** 18 July 2015 (Saturday)

**Meeting Time & Point:** 9:00 Diamond Hill MTR Station (Exit C)

**Programme:** 9:30 -10:30 Presentation by Mr. Adrian Tan Senior Construction Engineer  
10:30 - 12:00 Site Walk

**Fee:** Free

\* Participants **MUST** wear safety shoes, safety helmet with chin straps and reflective vest to the site. Photo taking is restricted during the site walk except for internal training purpose. Photos are strictly prohibited to be uploaded to the Facebook, or any kind of media for sharing.

Please register on-line via <http://www.cices.org.hk> or fax your reply form to 2687 2252. For enquiries, please contact Ms. Cordia Yu (Tel: 2687 2267). The numbers of participants are limited and it's on a first-come-first-served basis. In addition, members will have the priority to attend the site visit.

**Disclaimer:** The Chartered Institution of Civil Engineering Surveyors has not arranged any insurance coverage for any participants on any personal accident, property loss/damage or virus infection arising from this function. Participants should make their own insurance arrangement at their expenses.
