Dear Colleague,

Registration to the [Asia Pacific Rail 2018 Expo](#) is now open and free to attend! - [Click here to register](#)

Poised for serious growth, Asia Pacific has over 40,000km rail projects that are currently being constructed and planned. On 20 and 21st March at Hong Kong Convention and Exhibition Centre, the 20th Annual Asia Pacific Rail will welcome over 2,000 rail leaders to discuss opportunities in the world's fastest-growing rail market.

Get your free expo pass to now to unlock your access to:

**A SHOWCASE OF THE MOST INNOVATIVE SOLUTIONS**

Featuring leading rail manufacturers and project delivery partners on the show floor, there will be product launches happening throughout the two days. You'll be able to see the latest innovations, live demos and source a variety of solutions.

**[See Full List of Sponsors & Exhibitors](#)**

**GET TRAIN-ED AT TRACK INFRASTRUCTURE THEATRE**

Hear from 20+ track infrastructure and permanent way experts as they share their best practices on key challenges such as permanent way maintenance, noise and vibrations.
