Invitation for Sponsorship - ICES Annual Dinner 2018

The Chartered Institution of Civil Engineering Surveyors (ICES) began in 1969 as the Association of Surveyors in Civil Engineering and was incorporated in 1972. Its objective is to encourage and regulate the professional aspirations of quantity surveyors and land surveyors working within the civil engineering sector and to enhance the value of their services to the public. Our surveyors have developed a distinctive expertise and understanding of the special surveying requirements of the civil engineering industry.

In view of extending our services to our members in Hong Kong, our regional committee members organize continuing professional development functions as well as other social activities. We continually launch our services to our members and other prominent professional bodies in Macau, Mainland China and Malaysia in order to foster the "One Belt One Road" development and promote the profession of ICES and explore more professional opportunities. The number of our memberships in China has been expanding steadily in recent years. In the near future, our membership will soon reach every corner in the Asia Pacific and Greater China Region.

To celebrate the hard work and success of our profession over the year, ICES (Hong Kong Region) is holding its Annual Dinner 2018, which will take place at the **Royal Plaza Hotel, Level 6 Grand Ballroom (Address: 193 Prince Edward Road West, Kowloon) and it will commence from 7:00 p.m. on Friday 13 April 2018.** Our theme for the Annual Dinner 2018 is "**BIM • SMART CITY**" and we are honored and delighted to have invited **Mr. Lam Sai-hung, JP**, the Director of Civil Engineering and Development Department, Hong Kong Special Administrative Region Government, as our Guest of Honor for the Annual Dinner 2018.

In this most precious moment every year, nearly all our members, honorable guests and representatives from respectable professional institutions will gather and share the joy of our achievement together. Partnering champions in our industry like you, we cordially invite you to join us. In addition to this, you may consider giving our members and guests a chance to learn more about latest news, come across product solutions and explore the expertise of your company.

As a recognized professional organization actively engaged in activities of civil engineering profession, we can accomplish our missions by depending only on the financial supports from our members ourselves and sponsoring companies who share the same goals with us in launching our professional and social responsibilities. As such, we would be much blessed to have your support and sponsorship of Annual Dinner as well. Basically, we have four sponsorship grades available for your consideration. They are:

Platinum	–	<i>A sponsorship of HK\$33,000</i>
Diamond	–	<i>A sponsorship of HK\$22,000</i>
Gold	–	<i>A sponsorship of HK\$11,000</i>
Silver	–	<i>A sponsorship of HK\$5,500</i>

In expressing our sincerest and heartfelt thanks for your sponsorships, we will show acknowledgements on all our flyers, our dinner stage backdrop and in our local website with the name and logo of your company.

On behalf of ICES, we look forward to seeing you in our Annual Dinner. Should you need further information or assistance, Please feel free to contact Mr. Daniel Sum of email danielsum@cices.org.hk mobile at : 9753-0661 or Ms. Queenie Yu of email yu.queenie@gmail.com mobile at 9559 1271 for the queries your may have regarding arrangements of our Annual Dinner.

Yours faithfully,

L C Yu
Chairman
